The Auto Department offers three separate certificates:

- **Tire and Lube Technician**
  - Essential skills: Safety, customer service, basic automotive maintenance.
  - Pre-requisites: No specific requirements.

- **Automotive Maintenance & Light Repair**
  - Essential skills: Basic mechanical troubleshooting, brake and Suspension systems.
  - Pre-requisites: No specific requirements.

- **Automotive Technology**
  - Essential skills: Advanced diagnostics, engine repair, and maintenance.
  - Pre-requisites: High school diploma.

The Business Department offers three separate certificates:

- **Office Technician**
  - Essential skills: Office management, customer service, basic accounting.
  - Pre-requisites: High school diploma.

- **Administrative Assistant**
  - Essential skills: Advanced word processing, spreadsheet, database management.
  - Pre-requisites: High school diploma.

- **Business Manager**
  - Essential skills: Advanced business management, project management.
  - Pre-requisites: Minimum 2 years of work experience.

The Heavy Duty Diesel Department offers two separate certificates:

- **Preventative Maintenance Technician**
  - Essential skills: Knowledge of diesel engines, engine repair, emission systems.
  - Pre-requisites: 1 year of work experience.

- **Heavy Duty Diesel**
  - Essential skills: Advanced knowledge of diesel engines, engine repair, emission systems.
  - Pre-requisites: 2 years of work experience.

The Welding Department offers three separate certificates:

- **Welding A**
  - Essential skills: Basic welding techniques, metal cutting, and welding.
  - Pre-requisites: High school diploma.

- **Welding B**
  - Essential skills: Advanced welding techniques, metal cutting, and welding.
  - Pre-requisites: 1 year of work experience.

- **Welding Intermediate**
  - Essential skills: Advanced welding techniques, metal cutting, and welding.
  - Pre-requisites: 2 years of work experience.

The IT Department offers three separate certificates:

- **IT Support Technician**
  - Essential skills: Basic computer support, troubleshooting, network management.
  - Pre-requisites: High school diploma.

- **Network Technician**
  - Essential skills: Advanced computer support, network management, troubleshooting.
  - Pre-requisites: 1 year of work experience.

- **Security Technician**
  - Essential skills: Advanced computer support, security management, network management.
  - Pre-requisites: 2 years of work experience.

The Culinary Department offers two separate certificates:

- **Line Cook**
  - Essential skills: Basic cooking techniques, food preparation, kitchen management.
  - Pre-requisites: High school diploma.

- **Culinary Arts**
  - Essential skills: Advanced cooking techniques, kitchen management, front-of-house management.
  - Pre-requisites: 1 year of work experience.

The Medical Department offers three separate certificates:

- **Medical Assistant**
  - Essential skills: Basic medical knowledge, patient care, medical record management.
  - Pre-requisites: High school diploma.

- **Pharmacy Technician**
  - Essential skills: Advanced knowledge of pharmacy, medication management, patient care.
  - Pre-requisites: 1 year of work experience.

- **Practical Nursing**
  - Essential skills: Advanced knowledge of nursing, patient care, medical record management.
  - Pre-requisites: 2 years of work experience.

The Heavy Duty Diesel Department offers three separate certificates:

- **Welding Basic Technician**
  - Essential skills: Basic welding techniques, metal cutting, and welding.
  - Pre-requisites: High school diploma.

- **Welding Intermediate Technician**
  - Essential skills: Advanced welding techniques, metal cutting, and welding.
  - Pre-requisites: 1 year of work experience.

- **Welding Advanced Technician**
  - Essential skills: Advanced welding techniques, metal cutting, and welding.
  - Pre-requisites: 2 years of work experience.

The Welding Department offers three separate certificates:

- **Welding Basic Technician**
  - Essential skills: Basic welding techniques, metal cutting, and welding.
  - Pre-requisites: High school diploma.

- **Welding Intermediate Technician**
  - Essential skills: Advanced welding techniques, metal cutting, and welding.
  - Pre-requisites: 1 year of work experience.

- **Welding Advanced Technician**
  - Essential skills: Advanced welding techniques, metal cutting, and welding.
  - Pre-requisites: 2 years of work experience.

The Welding Department offers three separate certificates:

- **Welding Basic Technician**
  - Essential skills: Basic welding techniques, metal cutting, and welding.
  - Pre-requisites: High school diploma.

HAZCOM GHS: Training on SDS sheets and Chemical Labeling mandate.

HAZWOPER 8, 24 OR 40 HR: Let UBTech provide the knowledge and skills necessary to ensure the safety of response personnel when taking action to contain and control releases of hazardous materials or response to disaster events that have impacted the workplace and community. This training will aid employers in compliance with local, state and federal regulations applicable to spill and disaster response cleanup. UBTech offers 8 hour refresher and 24 & 40 hour trainings.

HEARING PROTECTION: Training on recognizing noise hazards, noise exposure control and selection and use of hearing protection.

HEAT/COLD AND BIOLOGICAL HAZARDS: Training on heat & cold emergencies and biological hazards in the workplace.

HM 126 HAZARDOUS MATERIALS: Teaches the signage of hazardous materials.

HM 260 H2S HYDROGEN SULFIDE COMPLIANCE: 2 hr training on the dangers of H2S and the precautions and controls necessary to work in an H2S environment.

LOCKOUT/TAGOUT CONTROL OF HAZARDOUS ENERGY: Teaches the signage.

MEDIC FIRST AID/CPR WITH AED: A combined adult first aid, AED, and CPR certification course designed for the occupational first aid provider. Child/infant endorsement available.

MEDIC FIRST AID/CPR-ENDORSEMENT TO MEDIC FIRST AID: Designed to give students the knowledge and skills necessary to manage a cardiac arrest emergency for children and infants. This is a supplemental program that can be taught with the adult Medic First Aid/CPR with AED course.

NAVIGATING & READING OSHA STANDARDS: This course utilizes the most used standards in teaching how to navigate and read standards. It shows how to identify standards that apply to companies/employees and what the requirements are that go along with them.

OSHA 10 HR GENERAL INDUSTRY: Taught per OSHA requirements. Utilized by many industries in and out of the oil and gas industry.

PEC SAFEiland BASIC REVIEW: A standardized program covering the health, safety and environmental training most requested by oilfield operators and host employers. Instructor-led training that is Safeland accredited and provides training beyond the awareness level for over 30 topics.

PEC SAFELAND BASIC REVIEW: Training on Respiratory Protection programs, use of respirators, medical evaluation, fit testing and respirator selection.

PEC SAFELAND BASIC REVIEW: Averaging & Reading OSHA Standards: This course teaches the signage.

PEC CORE COMPLIANCE: The signage.

PPE/ERGONOMICS/HAND & BACK SAFETY: Teaches the signage.

RESPIRATORY PROTECTION: Training on Respiratory Protection.

RESPIRATORY PROTECTION PACKAGE: Includes the medical evaluation for wearing a respirator, the annually required theory training, and fit testing.

RIGGING/SIGNALPERSON: Teaches common rigging utilized in lifts and the theory & practical training for the signalperson.

SILICA HAZARDS: This course provides information and training on OSHA's silica standards, hazards, risks and exposure control measures.

TRENCHING & SHORING: Provides training on various soil types, soil mechanics, shoring and the use of protective systems.

WINTER DRIVING: Provides information and training for driving in adverse weather and how to prepare your vehicle for driving in winter conditions.

TRANSPORTATION COURSES

AIRBRAKE WORKSHOP: Teaches the signage.

DEFENSIVE DRIVING FOR PROFESSIONAL TRUCK DRIVERS: Designed for the CDL driver. Drivers learn to recognize potential hazards and learn best practices to promote safe driving skills.

DOT HM 126 HAZARDOUS MATERIALS: Teaches the signage.

DOT LOG BOOK HOS: Teaches the signage.

DOT UHP WORKSHOP: Teaches the signage.

$ High Wage/High Demand (as defined by Department of Workforce Services)
Our community needs your help. We are more powerful when we work together and your contribution can have a huge impact on the life of a UBTech student. Every contribution, large or small, makes a difference. No matter who you are, you can assist the Foundation in providing scholarships, equipment, financial support, and student mentorship to the College.

Through your donations or time, you can provide students with employable skills and brighten the workforce of tomorrow.

You Can Make a Difference Today!
